15<sup>th</sup> July 2019

Dear Parent / Carer,

## Year 5 – Mobile Planetarium Visit

At the start of the new academic year, our topic in Year 5 is all about Earth and Space. To lift off our learning, we have arranged for StarLincs Mobile Planetarium to visit our school on Tuesday 10<sup>th</sup> September. Each class will have an hour session inside the inflatable dome where they will learn about the solar system, how day and night are formed and how the movement of the Earth causes seasonal change. The session will end with a presentation of the constellations of stars that can be seen in the night sky.

This has always been a very popular activity in the past as this is a way of bringing the night sky into the daytime classroom and the host is incredibly knowledgeable about the topic. For the visit to go ahead, we ask that you make a voluntary contribution of £3.10 via WisePay by Friday 6<sup>th</sup> September and return the attached slip to let us know you have done so.

If you have any questions, please do not hesitate to ask a member of the Year 5 team or Diane Mulley. We look forward to this exciting opportunity visiting our school once again.

Kind regards

Emma Weatherhill and Amelia Siddall

Y5 Class Teachers
