

# Spalding Parish Church of England Day School

2nd March 2020

Dear Parent/Carer,

## Coronavirus Update

Following recent updates from Public Health England I felt it was important to share with you their most recent advice alongside confirming that we are fully implementing their advice for educational settings in school. As updates from the official agencies occur on a regular basis we will continue to monitor the situation on a regular basis. Should there be any substantial change to the current advice we will write to parents/carers again to advise.

With regards to the advice from PHE, please again find the link to their website below along with the advice poster. If any parent/carers is concerned about the health of their child they should follow the directions within this advice.

In accordance with the PHE advice please be aware that all visitors attending the school are asked to use the hand sanitiser located in reception. Meanwhile we will continue to follow all advice from Public Health England, the NHS and the DFE and liaise with the Local NHS clinicians to ensure that we continue to respond and react appropriately.

Thank you for your continued support.

Kind Regards,
