HeadStart Primary

Year 5 Arithmetic Test 1

Name .....

School Name .....

Raw Score .....

Scaled Score .....

Children should be given 30 minutes to complete the test.

An answer box is available for each question.

The number under each box at the right-hand side of the page indicates the marks available for each question.

Where **2** marks are available, **2** marks are given for a correct answer. **1** mark may be awarded for an incorrect answer, where a correct formal method is used.
