Dear Parent/Carer

Parental Support Questionnaire

As a school we have a commitment to support our children to learn and thrive both in and out of school. One way we aim to do this is to support our parents/carers in any way we can.

In the past, we have held a range of workshops for parents/carers. These have taken place in many forms, including coffee mornings, presentations and inviting you into school to spend time with the children.

We wish to offer services which will benefit you and would therefore value and welcome your feedback and opinions. We would be grateful if you would be able to spare a few minutes to answer the following questions.
