

Spalding Parish Church of England Day School

15th July 2020

Dear Parent/Carer,

COVID 19 – Parish Pioneer Provision September 2020

As you will be aware, in line with the most recent Government guidance, schools are planning to reopen with effect from September 2020 to all pupils. However, both the Government and the Department of Education have produced guidance in terms of how this should be undertaken to ensure the safety of all members of the school community in light of the COVID 19 pandemic. This will affect the way we operate as a school and we are currently finalising the plans for this, which we hope to share with parents/carers early next week. One of the areas that will certainly be affected, at least in the short term, will be our Parish Pioneers provision given the current guidance and restrictions that are in place in terms of pupils numbers and pupil groups or 'bubbles'. We do appreciate that Parish Pioneers is imperative to a number of families and have been working hard to come up with a plan that means it can operate, at least in part. However, in order to be able to operate we will need to heavily restrict numbers – priority may need to be given to pupils who have attended both breakfast and after school club full time or either the morning or afternoon full time – and the provision will look somewhat different. Priority may also be given to key worker families. As a school we do feel, however, that this is preferable to the alternative of not being able to offer any provision at all at this point in time.

The next steps in being able to plan for this are having an accurate picture of pupil numbers so we can start to allocate places. We are fully aware that for our families' circumstances may have changed and you may no longer need access to our provision or, given the current situation, you have made alternative arrangements for childcare provision for your child. You may still be working from home and know this will be the case for an extended period. Given the restrictions in place and the need to limit numbers we would ask that you only request a place if you have no alternative childcare provision and are not working from home. If you could please complete the attached form with your preferences and return to school by **Monday 20th July**. A member of the Parish Pioneers team will then be in touch to confirm whether a place is available for your child. Please note, returning this form does not guarantee a place and it is unlikely that we will be able to offer places to all requests. If you do have any questions, please do not hesitate to get in touch via the office office@spaldingparish.lincs.sch.uk.

Kind Regards,
Diane Mulley
