20th November 2019

Dear Parent/Carer

Year 5 Stargazing – Peterborough Astronomical Society Friday 29th November 2019

As part of our current topic, we have arranged for Peterborough Astronomical Society to come to school one evening and run a Stargazing workshop for our children. The event will provide an opportunity for children to use telescopes to explore the world around us and continue to take their learning 'out of this world'. We are extremely lucky to have the support of Peterborough Astronomical Society who have very kindly offered to attend this event with their own equipment free of charge. Children will be able to ask questions and share knowledge with individuals who have a love of space and the world around us. The evening will also consist of different activities run by school adults to allow children to develop and apply the learning they have acquired over the previous weeks.

The workshop will be held on the evening of **Friday 29th November 2019** from 6pm until 8pm. Children will be invited into school via the Hall where they will need to be collected from. Due to the weather and the darker evenings, children will not be allowed to walk home alone – all children **must** be collected. There will also be hot chocolate and a biscuit at the end of session so please make us aware should your child have any dietary requirements.

If you would like your child to attend this event, please complete and return the attached slip by **Wednesday 27th November 2019**. If you have any questions please do not hesitate to speak to myself, Kim Bird or Diane Mulley.

Yours sincerely

Amelia Siddall
Year 5 Teacher

Year 5 Teacher

Year 5 Stargazing – Peterborough Astronomical Society Friday 29th November 2019

- I give permission for my child in class to take part in the Year 5 Stargazing event on Friday 29th November 2019.
- I understand that my child cannot walk home and someone must collect them at 8 pm.
