Dear Parents/Carers,

Morning Congestion

In order to promote independence and ease congestion in the cloakrooms we would ask that from after October term break, parents/carers begin to encourage their children to come into school by themselves. A member of FS2 staff from each class will be available at the doors each morning to talk to parents and answer any questions.

FS2 Reading Morning

We would also like to remind you that parents/carers are invited into school every Friday morning to share a book with their child. Parents can come into the classroom with their children at 8:30am and stay until registration at 8:50am. You could read your child's reading book, a special book from home or a story from the classroom. We hope that you will be able to join us to share in this special time each week. Please note, children should not be left unattended in the classroom during this time.

Kind regards,

Rosie Goddard
