

Spalding Parish Church of England Day School

9th April 2020

Dear Parent/Carer,

Happy Easter

Just a short note to wish you all a Happy Easter. It is normally a key point in the school year as it means the start of Summer and the excitement and business that Terms 5 and 6 bring. This year it feels very different but what it does hopefully mean is that we are closer to the time when we will all be able to be together again.

Thank you to all of you for all you are doing to support your children during this current time. Please remember that the most important thing to focus on is safety, love and fun. During this uncertain period, children need to feel safe and feel loved. You also all need to have fun! I read this the other day and found it reassuring so thought it was worth sharing.

So your child survived on snacks yesterday. **They are still safe. They are still loved.**

So your child has had too much screen time. **They are still safe. They are still loved.**

So your child has had more inset days than home school days. **They are still safe. They are still loved.**

So your child has no routine, are sleeping in or staying up late. **They are still safe. They are still loved.**

I do hope you are enjoying the break, although I do appreciate that many of you may be working, supporting the effort of the whole country to beat this pandemic. I hope you will be able to enjoy a break at some point over the Easter weekend. Try to have a break together away from school work, play a game as a family, take some time to go for a walk in the locality or even just spend time out in your garden. Whatever you do decide to do please heed the current Government advice. If we all do so, it is likely we will be able to be back together as a community sooner.

Wishing you all well. Take care and above all stay safe. We are thinking of and missing you all!

Kind Regards,

A handwritten signature in black ink, appearing to read "Diane Mulley".
