Dear parents and carers

I am delighted to be able to announce that, having held a vigorous interview process, LAAT have appointed Mrs Diane Mulley as substantive headteacher of Spalding Parish Church of England Day School with immediate effect.

During this process Mrs Mulley proved herself to be absolutely the right person to continue to drive the school forward to provide the very best for all of your children.

I know that you, like us will be thrilled for Mrs Mulley and the school community.

God bless
