

To: All Parents  
Spalding Parish C of E Day School

1<sup>st</sup> December 2019

Dear Parents and Carers

As CEO of Lincoln Anglican Academy Trust, I am delighted to welcome you into the Trust.

The LAAT Team and I look forward to working with the School over the coming years, to ensure that Spalding Parish C of E Day School continues to meet the needs of pupils, families and the community.

Every school is a unique and special place and the LAAT, with the School, will preserve and sustain that distinctiveness. I know that together we can work to ensure pupils receive the very best education available, within the context of your school's Christian foundation.

I look forward to spending time in the school over the coming year, which is set to be both exciting and rewarding for everyone connected to the school.

God bless
