

Spalding Parish Church of England Day School

28th February 2020

Dear Parent / Carer,

Science Week - 9th to 13th March 2020

As a school we are celebrating British Science Week from Monday 9th until Friday 13th March. The theme this year is Our Diverse Planet. Each Year Group will be looking at a different habitat over the course of the week and comparing the different environments around planet Earth.

To finish the week, we are inviting parents to join their children for an environmental challenge. Children will be asked to design and make a bug hotel in a plant pot. These will be put around our school grounds to encourage local wildlife. Over the next couple of weeks, if you have any materials that could be used for these, such as: pine cones, twigs, paper straws, egg boxes, bamboo canes, pebbles etc.. please send them in to your child's Class Teacher.

If you would like to join your child/ren in this challenge, you are invited to school at 2.15pm until 3.00pm on Friday 13th March. Please complete the slip below and return it to your child's class teacher by Friday 6th March.

If you have more than one child in school, you will be able to collect any younger siblings and take them to the older child's classroom to work as a family.

Yours sincerely

Claire Hearth
Science Lead

Science Week - 9th to 13th March 2020

 I / We will attend the Science challenge at 2.15 until 3.00 on Friday 13th March.

Signed (Parent/Carer):

Child's name: Class:

I also have child(ren) in class (es):
