

Parent Coffee Morning

Little Miracles will attend our next coffee morning. If you are already a member or just want to find out more about them then come along.

Little Miracles is a charity run by volunteers. It consists of other parents who know what it is like to have a child with additional needs or a life limiting condition—parents who understand the challenges you face.

They provide a free, safe environment with activities for all children with additional needs, disabilities and life limiting conditions and their siblings. This gives parents a chance to talk and get support with their problems from others who have faced a similar situation.

Chat with other parents over a coffee and cake.
