Dear Parent/Carer

## ParentShare Feedback

As you should already be aware, staff in Foundation Stage record observations of children using an app called '2BuildAProfile' on the iPads. This app allows us to closely track children's progress and support us to plan appropriately to meet their next steps. School pay a fee to have use of the 'Parentshare' facility on this app which allows us to send observations home. Staff spend a considerable amount of time ensuring that these observations are up to date and ready to be sent to parents fortnightly.

We welcome contributions to Learning Journeys from parents and carers. These are used to help gain knowledge of your child's interests and also give children the opportunity to share experiences from home with their class. Thank you very much to the parents/carers who are regularly responding to emails and sending photos and messages to us. We have had some really positive feedback and valuable observations from home. However, there are many parents/carers who are not contributing to children's Learning Journeys.

We would therefore value your feedback on this service. We would appreciate it if you could take the time to fill in the attached questionnaire in order for us, as a team, to ensure that we are making the best use of staff time and school's resources.

Yours sincerely,

Rosie Goddard  
EYFS Lead

ParentShare Feedback

- I/We receive fortnightly updates from my Child's Learning Journey: YES NO

*(If you have answered No but would like to begin receiving these updates please talk to your child's Class Teacher to set this up.)*

- I/we enjoy receiving these updates and seeing what my child has been doing in school: YES NO

Please use this space to give reasons for the above answers:
