

Spalding Parish Church of England Day School

20th January 2020

Dear Parent/Carer

Paediatrician Reports

I wanted to take this opportunity to make you aware that all schools in Lincolnshire have currently stopped receiving Community Paediatrician reports from appointments that you attend with your child.

Historically, school has always received a copy of a child's report which has then been placed in their file. It has also enabled us to update our information and ensure the correct support is in place for them. It has been key information especially when a child has received a diagnosis such as Autism or ADHD and allowed us to signpost further support.

The paediatricians have said that it is now parent/carers responsibility to ensure this information is shared with schools. Therefore, I would ask that if you have any reports from June 2019 onwards please bring them to the school office or hand to your child's teacher. We will take a copy and return the original to you. I will contact you should I need to clarify any further information.

Thank you for your continued support.

Yours sincerely

Sam Boccock
