

Spalding Parish Church of England Day School

12th March 2020

Dear Parent/Carer

Chip the Hamster

Unfortunately, we need to inform you that the FS2 pet hamster Chip has recently passed away. We thought you may wish to know how we have shared this news with the children.

When the children ask, staff at school are going to say that Chip has gone to heaven and that his cousin, another hamster called Wilf, has come to live with us at school. We are excited to have Wilf to look after and we will continue to send him home at the weekend using the rota which we sent home in September.

If you would like to discuss any aspect of this with staff at school, please feel free to either talk to your child's class teacher or Rosie Goddard, Phase Leader.

Thankyou for your understanding and support in this matter.

The FS2 Team.
