

Spalding Parish Church of England Day School

2nd March 2021

Dear Parent/Carer,

English as an Additional Language Support

We are looking to build a bank of volunteers who would be able to support families within our school community who are not able to speak/understand much English.

We are looking for members of our school community who can speak/read to a good level in English and who would be willing to help our parents with translation support with such things as new families visiting school and also with making calls to families.

If you are interested in helping to support in this way please complete the survey outlining what support you would be able to offer. Click this link for the survey: https://forms.gle/QcxqghtdEVr8d_fx5

We hope to recruit enough volunteers so that you were contacted as little as possible and we hope this would mean a very minimal impact on family time.

Yours sincerely,

Sam Bocoek
