## Dear Parent/Carer,

It has been another very busy and exciting week this week with a number of sports events happening over the course of the week. Pupils in Year 1 to Year 6 have undertaken a number of sporting challenges as part of their Sports Day and had a fantastic time. It was great to see all the pupils outside, enjoying themselves and having fun, albeit in a safe and managed way. Well done to all the pupils for their fabulous attitudes over the course of this week – everyone was very good spirited in their approach with a clear focus on having a good time.

Unfortunately, we did have to close our FS2 bubble this week and so they will undertake their sports events when they return and we will then be able to announce our Sporting Champions for this academic year. I would like to say how impressed I have been with the home learning I have been hearing about – well done all. We look forward to welcoming you all back in school on Monday. Thank you to all of you who recently took part in our sponsored sports challenge as part of our Sports for Champions visit. We welcomed Leon Baptiste into school today and all the children listened to an inspirational talk from him as part of the day's events. We have also raised nearly £1000 for school funds and resources – thank you everyone! **Diane Mulley, Head Teacher**

## Read all about it...

Each week pupils are awarded house points as a reward, with a weekly winner from our 6 SPCEDs House Teams, Spiritual Solvers, Positive Promoters, Challenging Challengers, Exciting Experts, Dynamic Dynamos and Supportive Supporters. This week's winners with 360 points are:  
**Spiritual Solvers**

## Attendance Awards

Attendance and punctuality are attributes that are essential as children grow up and this is the time of their lives when they learn them. A number of weekly and termly incentives and awards are in place to reward pupils who attend regularly and who are punctual for school at the start of the school day.

FS2: FS2 (83.8%) – Impacted by bubble closure and isolation coding

KSI: Y2DN (98.5%) – Second week running for Y2 DN, well done!

LKS2: Y3NP (98.8%) – A change in winner for LKS2 to Y3NP

UKS2: Y5EW (99.0%) – Best attendance in school this week 😊

School: 96.1% – Still above the National figure, well done all.

## Here to help...

With the current guidance in place, we cannot run our usual open door policy. However SLT are available on the gate each morning and afternoon should you have any queries or you can ring or email the school office and request a call back.

## Foundation Stage:

Firstly, we must say a huge thank you to all of our families for their continued support this week. Whilst not in school this week, we have all been very busy learning at home. The whole FS2 team have been very impressed by the super learning that has been happening whilst the pupils are not in school. One task set was a well-being task where we all had to think about something we were looking forward to. Lots of children then drew and wrote about what they are looking forward to. This image was sent in from a child who is really looking forward to going on his scooter and riding to school again. It is so bright and colourful, it made us smile! Thank you so much for sharing, we look forward to seeing you all on Monday.

## Key Stage 1:

This week Key Stage One have enjoyed celebrating Sports Week with the rest of the Spalding Parish community. Every child had the opportunity to take part in our Sports Day which was a huge success and really gave the children the chance to put their newly learnt skills into practice. Whilst it was different to normal, all the children had a brilliant time. The week was finished by a fantastic session with Leon Baptiste. All of the children were simply amazing when they were completing the athletic circuit as part of their session. The circuit itself was made up of four different activities and certainly wasn't easy for the children – as many of the staff who took part themselves will tell you! Well done Key Stage 1!

## Lower Key Stage 2:

This week, Year 4 have been poets, writing and publishing our own narrative and acrostic poems based on the Maya creation story. We have been absolutely amazed at the quality of the poems and the children's creativity and use of vocabulary. In our Art this week, we have been mark making in clay – using the patterns found on Mayan artefacts for inspiration. We have also started researching information for our Mayan Museum.

We really enjoyed participating in our sports day activities on Thursday alongside the Sports for Champions event on Friday. We are now eagerly awaiting the results for the whole school results once all the data has been collated!

## Upper Key Stage 2

What an amazing week we have had in Upper Key Stage 2! Thursday was Sports Day for Year 5 and Year 6. All of the children were amazing and showed lots of perseverance to complete the planned throwing, jumping and running activities. On Friday we were lucky enough to have a visit from the athlete Leon Baptiste and take part in sporting activities as well a very inspirational assembly.

This week has also seen the start of the Year 6 'Make £5 Grow' projects. All of the children have been working hard, within their project groups, to develop ideas for their businesses. They are currently working on their business pitches which they are excited to deliver to Mrs Mulley and Mrs Hill. Watch this space!
