

Spalding Parish Church of England Day School

30th April 2021

Dear Parent/Carer,

Year 2 – Happy Chicks Company

In Year 2, our Science topic this term is Animals including Humans. To support learning in the subject we have arranged for 'The Happy Chicks Company' to visit our school on Monday 10th May. They will set up an incubator and 18 eggs which will stay with us for 10 days. We have the opportunity to watch the eggs hatch into chicks and each class will have their own brooder box where the chicks will go once ready. The children will be able to view them and hold them whilst we have a real focus on their lifecycle through keeping a diary of each day.

This is the first time that this opportunity has been offered in Year 2 and we are very excited. For the visit to go ahead, we ask that you make a voluntary contribution of **£4.79** via WisePay by Wednesday 5th May and return the attached slip to let us know you have done so.

If you have any questions, please do not hesitate to ask. We look forward to this exciting learning opportunity visiting our school once again.

Kind regards

Annabel Cooper
