Dear Parents,

The NHS has asked for this message to be sent out to you.

Undiagnosed Type 1 diabetes in children requires urgent medical attention.

If your child has **ANY** of the main symptoms of Type 1 diabetes please make an **urgent** GP appointment or contact the Out of Hours service. The main symptoms are known as the 4 Ts – Thirst, Toilet, Tiredness, Thinner. If you notice your child is thirsty or using the toilet more frequently, is always feeling tired, or has lost weight recently, seek immediate medical advice.

NHS services are very well equipped to look after children safely if they are unwell. Please do not delay seeking medical advice because of Covid-19.
