

# Spalding Parish Church of England Day School

12<sup>th</sup> February 2021

Dear Parent/Carer,

## End of Term 3

As we reach the end of Term 3 and the mid-point in the academic year I felt it was important to write to all our pupils, parents and carers to say a huge thank you and well done for all your participation, commitment and engagement in your learning during the current term. It is fair to say that Term 3 was a term like no other with the change from our normal approach to remote provision within 24 hours. We are so very proud of how the whole school community changed and adapted to the new way of learning and it is fair to say we have been really impressed with the learning taking place both at home and at school. We look forward to this learning continuing after the term break – in the meantime thank you and well done.

## Reporting a Positive Case during Term Break.

As part of our restricted provision we have had a number of pupils in school on a daily basis. For these pupils we still have a responsibility, as a school, to undertake Track and Trace for any pupils presenting with COVID 19 symptoms within 48 hours of their last day in school. If a pupil currently attending school tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school, so up until and including 14<sup>th</sup> February, please email [feedback@spaldingparish.lincs.sch.uk](mailto:feedback@spaldingparish.lincs.sch.uk) with:

**Child's Full Name:**

**Class:**

**Date of positive test result:**

**Date child developed symptoms:**

Please note this only applies to pupils that have been in school as part of our current restricted provision.

It was fantastic to be back together at the start of the term even if it was just for one day and the whole staff and I look forward to welcoming all the pupils back as soon as we are able to safely. Please enjoy the term break, spend time together doing the things you enjoy, walking, baking, gardening, playing games, watching movies, learning new skills, whatever you fancy. We look forward to welcoming the pupils back to their learning on Monday 22<sup>nd</sup> February. Please take care and stay safe.

Kind Regards,

Diane Mulley
