

Spalding Parish Church of England Day School

21st May 2021

Dear Parent/Carer,

Year 6 - Relationships, Sex and Health Education Lessons

Following on from my letter in September consulting all parents on the changes to the RSE curriculum, I wrote that there would be an opportunity later in the year to view Year 6 content regarding the right to withdraw your child from Sex Education lessons. This is explained in the Policy which accompanies this letter.

Following on from the consultation there is only one lesson within Year 6 called 'Making Babies' that has content considered Sex Education. This element could be removed from the lesson. There is no right for your child to be withdrawn from the remainder of this lesson as this is classed as Relationships Education which is statutory now in every primary school in England. You can find more details here <https://www.gov.uk/government/publications/relationships-sex-and-health-education-guides-for-schools>

We have arranged for myself and Deborah Newnham, our PSHE lead, to run an information event via Zoom on Wednesday 26^h of May at 1:30pm. Within the session we will be able to share content that will be covered as well as the activities we will use to help them learn this content.

If you would like to attend please book a place via the google forms by clicking on this link <https://forms.gle/yU1qGqWXPseqMqTP6>

Yours sincerely,
