

Spalding Parish Church of England Day School

10th June 2022

Dear Parent/Career

Year 2 Religious Education Term 6 Food Tasting

Later on in Term 6, in RE we will be looking at the Jewish Passover Festival and exploring one of the special foods they eat to mark the celebration. The food that the children will be able to taste is called Matzo which is a flame gridded cracker and flat in shape, similar to flatbread. This food tasting session is included in the third lesson in the RE unit which will be delivered the week beginning 27th June 2022.

Although you have already informed us when your child started school of any allergies that your child may have, please can you confirm these on the attached permission slip, so that we know we have the most up to date information of any dietary requirements that may affect your child's opportunity to sample the food tasting.

We are looking forward to providing your child with a practical and stimulating learning experience that will enhance their knowledge and experience of different foods within this different culture. If you have any questions or concerns regarding this activity then please do not hesitate to speak with one of the Year 2 team.

Yours sincerely

Aaron Robinson, Sarah Durno, Danielle Owen and Emily Hill
