

National
WRITING
 Day

23 June 2022

To celebrate National Writing Day, we are holding a school writing competition.

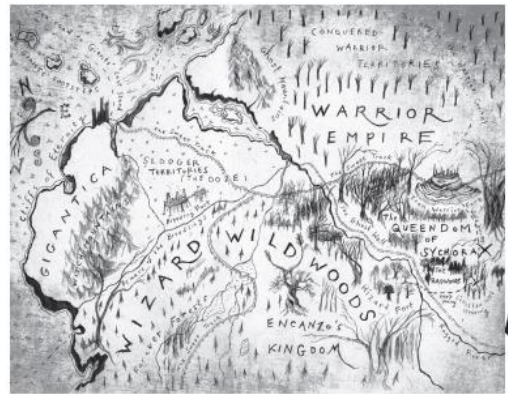

Are you ready for the challenge?

Let your imagination go wild and write a story (about anything).

Hand your stories to your class teacher by Wednesday 6th July.

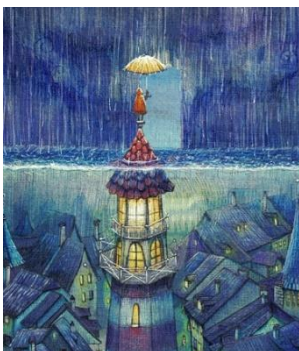

Top Tips:

Use your senses to help your reader see, hear, smell, taste and touch.

Draw a map of your imaginary place just like in the Hobbit, Treasure Island or How to train your dragon.

Use pictures to inspire you.

Develop your vocabulary.

Most importantly... have fun!
