

Spalding Parish Church of England Day School

11th March 2022

Dear Parent/Carer

Year 4 Design Technology Term 4 Designing and Making Wraps

During Term 4, the children are going to be designing and making wraps. This will firstly involve handling and tasting some different types of readymade wraps. The children will then move onto designing and making wraps choosing from a selection of wraps, fillings and salad.

We are planning on using the following:

Wraps	Fillings	Salad
White wraps	Cheese	Cucumber
Wholemeal wraps	Ham	Carrot
	Vegan Mayonnaise	Pepper
		Lettuce

Although you have already informed us when your child started school of any allergies that your child may have, please can you confirm again, on the attached permission slip, so that we have the most up to date information of any dietary requirements that may affect your child's opportunity to sample the food tasting.

We are looking forward to this fantastic 'hands on' learning opportunity for the children. If you have any questions or concerns regarding this activity then please do not hesitate to speak with one of the Year 4 team.

Yours faithfully,

Becca Wakefield and Claire Hearth
