

Spalding Parish Church of England Day School

10th July 2023

Dear Parent/Carer

Final Report 2022-23

Later this week you will receive your child's final report of this Academic Year. You will find the usual commentary explaining what your child has achieved and future targets in relation to the National Curriculum.

Staff in school are continually assessing your child against the expectations of the National Curriculum and our internal key performance indicators. We have been undertaking moderation activities within school across Year Groups and Phases. This is reflected within the report with assessment against both the objectives taught this academic year and also against the end of year expectations.

I would like to take this opportunity to thank your child for their hard work and commitment during this academic year and hope they will similarly rise to the challenge in the new school year.

Should you have any questions about the report, do not hesitate in the first instance to talk to your child's Class Teacher. Remember, there is the Open Evening on Thursday night, 13th July, between 4pm and 6pm. This is an opportunity for you to catch up informally with your child's current Class Teacher and also to meet your child's new teacher. All teachers will be based in their current classrooms.

I wish each and every one of the children well for the next step in their learning journey at Spalding Parish Church of England Day School. I look forward to welcoming your child and yourself back in September.

Kind Regards,
