

Spalding Parish Church of England Day School

19th April 2023

Dear Parents/Carers,

Family Learning – Get Creative!

A new term is here and we hope that you all had a wonderful break over the Easter period. We have some exciting news to share with regard to a project that is launching in school. Initially, there will be three workshops run by Charlotte Hardy and Mel Markham, a Family Learning Tutor, for families to sign up to. The workshops will be held in school and your child will attend the sessions with you. The purpose of the sessions is to engage families in some educational, fun and creative experiences that can then be completed at home too. Mel has lots of wonderful ideas to share with families about activities that are easy to set up and prepare at home to support your child's development. The resources for the sessions are provided by school and the Family Learning team so all you will need to bring to the session is yourself! Please see attached with this letter the flyer and the paperwork to complete if you wish to attend. The sessions will run from 1:00pm to 3:00pm on the below dates.

Workshop details:

- 1. Get Creative 27.4.2023**
- 2. Healthy Treats 4.5.2023**
- 3. Story Time - date to be confirmed**

We would encourage families to sign up swiftly if you wish to secure your place as there is a limited number of spaces (12 families maximum). Places will be allocated on a first come, first serve basis. If you are not able to attend these three workshops, there will be further opportunities and dates launched later in the year and into the next academic year. If you have any questions or wish to find out more about the commitment with the workshops or any other queries, please do not hesitate to contact me on charlotte.hardy@spaldingparish.laat.co.uk

Yours sincerely

Charlotte Hardy
