

Spalding Parish Church of England Day School

20th February 2023

Dear Parent/Carer

Year 4 Design Technology Term 4 Designing and Making Wrap

During Term 4, the children are going to be designing and making wraps, thinking carefully about how they can make these a healthy choice. This will firstly involve researching and tasting wraps which have already been produced, before planning and making their own wrap, using a variety of optional ingredients.

The ingredients available are:

Wraps	Fillings	Salad
White wraps	Cheese	Cucumber
Wholemeal wraps	Ham	Carrot
	Vegan Mayonnaise	Pepper
	Chicken	Lettuce

Although you have already informed us when your child started school of any allergies that they may have, please can you confirm again, on the attached slip, so that we have the most up to date information of any dietary requirements that may affect your child's opportunity to sample the food tasting.

We are looking forward to this fantastic 'hands on' learning opportunity for the children. If you have any questions or concerns regarding this activity then please do not hesitate to speak with one of us using the Y4@spaldingparish.lincs.sch.uk email or by speaking to us at the start or end of the school day.

Yours sincerely,

Katey Robinson, Lucie Scott and Imogen Norris
