Wholly inclusive, striving for fulfilment, empowering the flourishing of our world

21st June 2023

Dear Parent/Carer,

FS2AC Update

As you will know from our FS2 Open Meeting in June last year, we have always encouraged open communication between home and school. Through open communication we are able to best support your child as they move through school. With that in mind I felt it important to write to you given some changes in FS2AC in the coming weeks.

Annabel Cooper, your child's class teacher, is having to undergo a minor procedure next week. This subsequently means that Annabel will be absent for at least the next two weeks whilst she has time to rest and recuperate. At this point we cannot be certain when Annabel will return to school as we obviously want her to be fully fit on her return. Please be assured we will keep you informed with regards to this when we do have any updates regarding the situation.

We are very mindful however that we are close to the end of the academic year and this may mean Annabel is not back before the end of term. Annabel is keen to maintain contact with the children so it may be, even if she is unable to return to school before the end of term, that she is able to virtually be present, e.g. via Microsoft Teams, maybe to share a story with the children or just have a chat with them about their learning.

We do appreciate just how important adults are as part of your child's learning journey and as such cover for Annabel will be undertaken by adults known to the children. Anthony Horton, one of our school HLTAs, and Raul Banuls Escobedo, a supply teacher who has worked in EYFS over the course of the year, will be undertaking the cover. Both are well known to the children and have worked alongside the EYFS team over the course of the year so far.

I'm sure you will join me in wishing Annabel a speedy recovery as we look forward to her return to school. If you do have any questions please do not hesitate to get in touch via the school office or via feedback@spaldingparish.laat.co.uk.

Kind Regards,

Diane Mulley
