

Spalding Parish Church of England Day School

Wholly inclusive, striving for fulfilment, empowering the flourishing of our world

14th March 2024

Dear Parent/Carer

Year 2 Design Technology Term 4 Designing and Making a Fruit or Vegetable Salad

During Term 4, the children will be designing and making a fruit or vegetable-based product. This will firstly involve researching exploring and tasting different fruits and vegetables before designing, preparing and making a fruit or vegetable-based product. The fruit or vegetable ingredients that will be available are:

apple	orange	strawberries	grapes
pear	kiwi fruit	bananas	lettuce
carrot	tomato	cucumber	pepper

Although you have already informed us when your child started school of any allergies that they may have, please can you confirm again, on the attached slip, so that we have the most up to date information of any dietary requirements that may affect your child's opportunity to sample the food tasting.

We are looking forward to this fantastic 'hands on' learning opportunity for the children. If you have any questions or concerns regarding this activity then please do not hesitate to speak with one of us using the Y2@spaldingparish.laat.co.uk email or by speaking to us at the start or end of the school day.

Thank you for your continued support.

Aaron Robinson, Claire Hearth and Danielle Owen
