

Parish Parents' Workshops

At Spalding Parish, we are looking to engage our families in wonderful opportunities to come and participate in fun and educational activities to support learning development. All workshops will include time for parents to network with other parents and spend quality time with their children. There may even be time for a biscuit or two!

If you are interested in signing yourself or a family member up to one of our workshops, please do so via the School Office. There is a limited number of spaces per session so places will be allocated on a first come, first serve basis. Spaces allow for two adults to attend per child/sibling group. Each session will run twice a term to allow opportunity for more families to attend. Sign up for the workshops will close a week before the session goes ahead to allow time for resources to be bought – please sign up in advance to avoid disappointment. If you have any questions or queries about the sessions, please do not hesitate to contact Charlotte Hardy via email at

enquiries@spaldingparish.laat.co.uk

The parent workshops will be led by our Assistant Head Teacher/SENCO, Charlotte Hardy. The workshops focus on different aspects of family life with each theme providing you with ideas to support your child's development at home. Each session is repeated twice throughout a term ensuring all families have the opportunity to sign up to the most appropriate date to suit them.
