Dear Parent/Carer,

'Design a Christmas Card Project'

Following the success over the previous years, we have decided to participate again in the 'Design a Christmas Card Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child has been creating their own design for a Christmas Card that can be professionally printed to produce a pack of 12 cards with envelopes, a mug, gift labels, wrapping paper or spiral bound books. Not only would it be very exciting for your child to see their work as a finished printed product, the cards themselves are great for sending a more personal greeting to family and friends at Christmas!

Card packs and other items can only be ordered and paid for online and all orders need to be placed by 5pm on Wednesday 4th October. Please refer to your order form for further instructions. We will send a photocopy of your child's design home with their order form. Please send in the completed order form once you have completed your order online and we will attach and send your child's original art work.

Thank you for your continued support. We look forward to the children's designs being delivered at the beginning of December.

Yours sincerely

Kim Bird and Emma Weatherhill
