

Spalding Parish Church of England Day School

19th March 2024

Dear Parent/Carer,

Year 4 Trip – Mablethorpe and Sutton on Sea Wednesday 24th April 2024

In our Geography learning last term, we considered the question ‘What makes a good seaside?’ We looked at the physical and human aspects of coastal regions and compared a commercialised and natural beach.

To further our learning, we are intending to go and do some fieldwork on Wednesday 24th April. We will leave school at 9.00am and head to Mablethorpe, where we will look at the features we can see in a commercialised seaside. We will then have a picnic lunch before moving on to Sutton on Sea, a natural beach. Whilst there we will compare and contrast the two different coastal locations and further consider and make notes on ‘What makes a good seaside?’ We are expecting to arrive back at school at approximately 3.30pm.

The children will need a snack and a drink for when we arrive, a packed lunch and a towel/blanket to sit on while on the beach. The children will also need to be dressed appropriately for the weather conditions on the day. The children should come in wellington boots, or suitable waterproof footwear. They should also bring a named carrier bag with clean footwear to change into when we have finished on the beach.

All children will need a packed lunch and drink with them for the trip – please don’t order a hot meal for this day. If you are entitled to Free School Meals, we can provide your child with a packed lunch for this trip which will include a sandwich, fresh fruit, biscuit and drink; please complete the choice of sandwich filling on the separate form sent with your child. Your child will still need to bring a drink and snack with them. If you would prefer to provide a packed lunch from home, please indicate this on the form.

The cost of the coach for the trip is £6.19. Please make the payment via ParentPay and return the slip below by Thursday 18th April giving permission for your child to come on the trip. We are looking forward to enhancing our learning through this fieldwork.

Kind Regards,

Katey Robinson, Sally Slade and Lucie Basduvar
