

Spalding Parish Church of England Day School

Wholly inclusive, striving for fulfilment, empowering the flourishing of our world

20th June 2025

Dear Parents/Carers,

Year 3 Rocks and Fossils Museum Thursday 17th July at 2.30pm

We are delighted to invite you to our exciting Rocks & Fossils Science Museum in the school hall. Children in Year 3 have been exploring the fascinating world of geology and now they are ready to share their knowledge with you!

During this special event, the children will take on the role of Museum Guides, talking you through interactive displays about different types of rocks and fossils, their properties, and how rocks and fossils are formed differently. You'll have the chance to see your child's learning first hand.

If you can attend, we will be hosting the museum on **Thursday 17th July at 2:30pm**. The entrance to the museum will be via the hall where you enter for class presentations.

Thank you for your continued support,

Katey Robinson, Sarah Durno and Tom Stanshall
