*Wholly inclusive, striving for fulfilment, empowering the flourishing of our world*

14<sup>th</sup> March 2025

Dear Parent/Carer,

## **Bromcom - My Child at School (MCAS)**

We would like to say a big thank you to all our parents/carers who have logged in to MCAS!

Over the next 3 weeks we will begin to switch on more of the features in the app such as lunch bookings and attendance information, with trips and Breakfast & After School Club bookings following in Term 5.

All appointments for the upcoming Parent Consultations this month will be made through MCAS, as will all school meal bookings for next term, therefore it really is very important that all our parents/carers register their accounts.

The MCAS app is available to download via the Apple App Store and the Google Play Store, MCAS is also accessible via a web browser at <http://www.mychildatschool.com>. Registration is by email address, so it is important that we have up-to-date contact information for all parents/carers.

All contacts with parental responsibility have automatically been activated and will now be receiving communications through the app or by email. If you do not require more than one account per family, please let us know as soon as possible by email, phone or at the school office via [enquiries@spaldingparish.laat.co.uk](mailto:enquiries@spaldingparish.laat.co.uk).

**It is vital that all children have at least one parent/carers registered for MCAS by 4<sup>th</sup> April 2025.**

If you do have any questions or queries, please do not hesitate to get in touch with the school office. There will also be an opportunity during the Parent Consultation Meetings for us to support parents/carers with getting MCAS activated or troubleshoot any difficulties.

Thank you in anticipation of your continued support.

Kind regards,

Diane Mulley
