Dear Parent/Carer,

Year 3 Design Technology Term 4 Designing and Making Sandwiches

During Term 4, the children in Year 3 are going to be designing and making sandwiches. This will firstly involve handling and tasting some different types of bread. The children will then move on to designing and making sandwiches choosing from a selection of bread, fillings and salad.

We are planning on using the following:

| Bread | Fillings | Salad |
|------------------------|------------------|---------------|
| Wholemeal bread | Ham | Cucumber |
| White bread | Cheese | Tomato |
| Sourdough bread | Tuna | Lettuce |
| Pitta Bread | Hummus | Grated carrot |
| Brioche | Chicken Tikka | |
| with dairy-free spread | Vegan Mayonnaise | |

Although you have already informed us when your child started school of any allergies that your child may have, please can you let us know again, on the attached permission slip, so that we have the most up to date information of any dietary requirements that may affect your child's opportunity to sample the food tasting.

We are looking forward to this fantastic 'hands on' learning opportunity for the children. If you have any questions or concerns regarding this activity then please do not hesitate to speak with one of the Year 3 team.

Yours faithfully,

Sarah Durno, Katey Robinson and Tom Stanshall
