

Spalding Parish Church of England Day School

Wholly inclusive, striving for fulfilment, empowering the flourishing of our world

24th September 2024

Dear Parent / Carer,

Intended Trips and Visits 2024/25

As part of our commitment to ensuring parents and carers are informed about their child's learning, including extra-curricular trips and visits, and to support parents and carers with planning, we have put together an overview of trips and visits across all Year Groups. When considering trips and visits, these are planned to support the intended curriculum, either as a stimulus for the curriculum or as an opportunity for children to embed and further their knowledge. They are also planned to widen children's experience of both the locality and also beyond in the case of visits planned outside of Spalding and the local area. They are a key aspect of our curriculum offer which we hope all pupils will attend and we hope by sharing this information, links to the curriculum are clear and trips are seen as an extension of the curriculum which all pupils will hopefully attend.
