Spalding Parish Church of England Day School

Wholly inclusive, striving for fulfilment, empowering the flourishing of our world

11th November 2026

Dear Parent/Carer,

Be Bright Be Seen

As a school, we took part in a competition called 'Be Bright Be Seen' last term and we are delighted to let you know that our school has been provided with bright and reflective keyrings to help keep all of our children visible, safe and seen during the darker months.

As the days become shorter and darker, we encourage all families to help children stay safe when travelling to and from school.

Top safety tips:

- Wear bright or reflective clothing whenever possible, especially when walking, cycling or scootering.
- Attach the reflective keyring to a school bag or coat zip so it can be easily seen by drivers.
- Stick to well-lit routes and use pedestrian crossings whenever available.
- Remind children to stay alert when crossing roads and to avoid distractions.
- If cycling or scootering, ensure lights are fitted and working correctly.
- Allow extra time for journeys during poor weather conditions when visibility may be reduced.

The reflective keyrings are a simple but effective way to help make children more visible to road users and support their safety during the darker autumn and winter months.

Thank you for your continued support in helping us keep your children safe and been seen.

Kim Bird
Deputy Head Teacher
