16th October 2026

Dear Parent/Carer,

Year One – Captivating Creatures Workshop
Monday 2nd November 2026

We are looking forward to a very exciting visit from Captivating Creatures during the first week of next term! This visit will link to our Science curriculum and allow the children to get a deeper understanding of animals, specifically reptiles and amphibians. During the session the experienced instructors will help the children understand the features and differences of reptiles and amphibians through an engaging workshop.

Our visitors will also be bringing some extra special guests along with them! The children will have the opportunity to handle some of these creatures if they wish to - you can look at some of their animals on their website: https://www.captivatingcreaturesltd.co.uk/meet-our-animals.

There is a voluntary contribution of **£5.08** for your child to take part in this workshop. Payment must be made via MCAS. The cost is based on all children attending and payment being made. As a parent/carer, the cost of others' non-payment does not get passed on to you. **Although, this is a voluntary contribution, we must stress that a shortfall in contributions may prevent the trip from going ahead**. If you have difficulties in making the payment, please make an appointment to speak to Diane Mulley or a member of the Senior Leadership Team.

As this is an in-school workshop, the children will need to wear normal school uniform on the day.

If you wish your child to take part in the workshop, please make the payment via MCAS and return the slip sent home with your child by 23rd October 2026.

Should you have any questions please do not hesitate to speak to a member of the Year 1 team, Diane Mulley or Kim Bird.

Thank you for your continued support.

Miss Baker, Miss Brown & Mrs Ekins
Year 1 Class Teachers
