

A big welcome back to school. We have missed you all!

As a community, we will all have had unique experiences to the events in 2020. To launch our new school year, we will be focusing on three books across school. With important messages that the world we live in is a fundamentally good place, one filled with hope and love, we will reunite our community and ignite our passion for learning. We cannot wait to share the outcomes of our work through the curriculum. Remember to check on Twitter.

A message from Year 2

We would like to welcome you all to Year 2. We are so excited for the journey that we have ahead of us and we look forward to sharing with you the achievements that we accomplish. This first term is going to focus on settling your children into Year 2. We will embed some of the key skills that they learned in Year 1 and build on these to make sure that they are confident. Please feel free to share the texts with your child and discuss the special messages that these explore. Our PE day is on a Tuesday and the children will only need trainers as we will be learning some new playground games. If you have any questions, please do not hesitate to ask.

Mrs Cooper, Miss Newnham, Mr Robinson and Miss Baker.
