

A big welcome back to school. We have missed you all!

As a community, we will all have had unique experiences to the events in 2020. To launch our new school year, we will be focusing on three books across school. With important messages that the world we live in is a fundamentally good place, one filled with hope and love, we will reunite our community and ignite our passion for learning. We cannot wait to share the outcomes of our work through the curriculum. Remember to check on Twitter.

A message from Year 5

Welcome to Year 5 - we are incredibly pleased to see everybody back at school, including some new faces! We have lots planned to ensure everyone feels excited, motivated and supported in their learning, whilst making great friends along the way. We understand that some things may be a little different for the time being, but we can only ask that everybody tries their best and helps one another however they can. Every year - indeed every day - of school is precious, and this year in Year 5 will be the most exciting yet!
