

A big welcome back to school. We have missed you all!

As a community, we will all have had unique experiences to the events in 2020. To launch our new school year, we will be focusing on three books across school. With important messages that the world we live in is a fundamentally good place, one filled with hope and love, we will reunite our community and ignite our passion for learning. We cannot wait to share the outcomes of our work through the curriculum. Remember to check on Twitter.

### A message from Year 6

It was wonderful to meet our new classes during the first week and start to talk about some of the exciting plans we will be embarking on during Year 6. We are very ready to start where we all left off while you were keeping safe at home. There will be lots of great challenges that lay ahead, with consolidation of Y5 and focus on our new curriculum we will be ready to face anything together. Already our Class Charter has embedded the foundations for us to 'be brave', 'be the very best we can' and 'work as a team'. Our door is always open at the start and end of the day, or you can contact us on [Y6@spaldingparish.lincs.sch.uk](mailto:Y6@spaldingparish.lincs.sch.uk).
