

A big welcome back to school. We have missed you all!

As a community, we will all have had unique experiences to the events in 2020. To launch our new school year, we will be focusing on three books across school. With important messages that the world we live in is a fundamentally good place, one filled with hope and love, we will reunite our community and ignite our passion for learning. We cannot wait to share the outcomes of our work through the curriculum. Remember to check on Twitter.

A message from Year 1

It was wonderful to meet our new classes during the first week back and what a fabulous first couple of weeks we have had! We are very ready to start where we all left off while you were keeping safe at home. The Class Charter that we have all created together shows that we are ready to embrace Year 1 with courage and enthusiasm. We are looking forward to the exciting year ahead and facing new challenges together.

Our door is always open at the start and end of the day, or you can contact us on
