

A big welcome to school. We are so excited to meet you all!

As a community, we will all have had unique experiences to the events in 2020. To launch our new school year, we will be focusing on two books across FS2. With important messages that the world we live in is a fundamentally good place, one filled with hope and love, we will reunite our community and ignite our passion for learning. We cannot wait to share the outcomes of our work through the curriculum. Remember to check on Twitter @FS2SPCEDS.

A message from the Foundation Stage Team

We feel so privileged to be with the children in their first year of school! We are going to have lots of fun together exploring the different areas of our setting-the sandpit, mud kitchen, craft areas and construction outside, and the Book Nooks, role play areas and playdough stations inside. We can't wait to help the children settle into school life!
