

English

Term 1's English will begin with Roald Dahl's famous tale 'Matilda'. We will then look at the story of Beowulf. In Guided Reading, we will study one of the 'How to Train Your Dragon' series by Cressida Cowell

Maths

Maths in Term 1 will focus on extending the children's knowledge and understanding of place value, as well as developing their use of the mental and formal methods of addition and subtraction. We will also be undertaking Times Table Rock Stars every day.

RE

In RE we will be looking at Hinduism and how they worship both at home and in the Mandir.

History

The Anglo-Saxons will be our focus in History this term studying their invasion of Britain, key dates and how the country was ruled under them.

Raiders and invaders.

Computing

In Computing we will be looking at writing algorithms for programming and debugging programs.

Art

Art will be linked to our overarching topic about the Anglo-Saxons. We will create our own Anglo-Saxon shields, brooches and illuminated letters.

Science

This term in Science we will be focussing on sound, including how sounds are created, how sounds can be altered and the work of famous scientist Robert Boyle.

Music

Music this term will link to our Science as we will be creating sounds with a range of different instruments, as well as understanding a musical stave.
