

Year 3 What a Wonderful World.

We will learn to:

- To investigate places.
- To communicate geographically.
- Identify the 4 countries of the UK and their capital cities
- Locate main cities of the UK
- Name and locate countries of Europe
- Identify features of a region, foods, trades and traditions.
- To use a range of resources to identify human and physical features of a location.
- Name and locate the countries of North and South America and identify the main physical and human characteristics of a particular location.

The skills we will use are:

- To be able to ask some good examples of geographical questions about the characteristics of a location
- To be able to describe position and direction using a good range of terminology and reference points including the UK.
- To know the names of the counties and major cities of the UK and identify some of the key features of its regions whilst using geographical vocabulary
- A growing number of European countries are known and their characteristic features identified using geographical language.
- Geographical language is selected to describe changes to the locality of the school over time.
- Resources are chosen in order to investigate and describe the characteristics of places.
- There is a good awareness of the countries of North and South America and a growing depth of understanding of a particular location.
