

# Year 5 are 'Out of this World'

## English

We will begin our mission with an old favourite: Charlie and the Chocolate Factory. However, our main mission will then take over as we delve into the world of Tim Peake asking the question: "Hello, is this Planet Earth?"

Following its successful completion, we will then use George's Secret Key to the Universe to further explore before looking at Birthday Boy and Ice Bear.

All of these exciting texts will enable us to take advantage of many writing opportunities.

## Maths

Maths will focus on place value and mental and written methods of the four key operations. We will be continuing the use of Times Table Rock Stars to help rapid recall up to 12 x 12 and introducing children to daily arithmetic challenges. Be sure to check Maths Meanders for these challenges.

## History

Moon landings – Who was the first man to walk on the moon?

Where do astronauts come from?

## DT

Space food – How is it made? Can any food be space food?

## Music

Sing up Space Edition

## Computing

How is research done?

How are websites made?

## RE

Being Human

Hinduism

## PE

Tennis (Spalding Tennis Club)

Dance

**Taking our learning to infinity and beyond...**
