

A big welcome back to school. We have missed you all!

As a community, we will all have had unique experiences to the events in 2020. To launch our new school year, we will be focusing on three books across school. With important messages that the world we live in is a fundamentally good place, one filled with hope and love, we will reunite our community and ignite our passion for learning. We cannot wait to share the outcomes of our work through the curriculum. Remember to check on Twitter.

A message from Year 4

We are so pleased to welcome you all back to school and are looking forward to learning lots of exciting things through the year. We have made our Class Charters together and are making sure we are all ready, respectful and safe so that we can all learn. You can always contact us on Y4@spaldingparish.lincs.sch.uk or talk to us at the door at the start and end of the day.
