

Spalding Parish Church of England Day School

10th February 2023

Dear Parent/Carer

Year 3 Home Learning

After half term, we will be re-launching Home Learning in Year 3; this is what we will expect of your child:

Reading

- Please make sure your child reads for at least **10 minutes every day**.
- Ask them to summarise what they have read to an older person and predict what might happen next.
- Sign and date their Reading Ramble book.
- They should bring their reading book and Reading Ramble book into school every day!

Maths Practice

In your child's Maths Meander books they will have the Take 5 challenges to complete twice a week.

1. They will take it home with them on a Friday and return it on a Monday.
2. They will take it home again on a Tuesday and return it on a Thursday.

Times Tables

Each week your child will be expected to learn or revise a specific times table. By the end of Year 3 they should know their 2s, 3s, 4s, 5s, 8s and 10s. We will tell them which one to focus on learning. They can use the chart over the page to help them - they must keep it safe and look at it regularly!

Yours sincerely

Sally Slade, Emma Potts and Sue Hurst
Year 3 Team

Times Tables

- Chant the times table, write the times table and ask someone to check them with you.
- You should aim for recall of the answer within 6 seconds.
- I will check your recall of the times table in our next Multiplication Monday lesson.
- Log on to Times Table Rock Stars - and practise every day! It is a fun way to learn and to speed up. Your log on details are in your Maths Meander. Sound Check is a great way to practise your times tables.
- Remember that you also have access to Mathletics, with a log-in which is also stuck into your Maths Meander.
